

# Telling Your Story With Data

Presented By West Suburban Community Health Network 18: [www.healthier-communities.org/info/chna/chna18](http://www.healthier-communities.org/info/chna/chna18)

- ▶ Often times, data doesn't convince people of a public health concern in their community. So...how do we make data compelling to the general public? The answer to that question will be revealed at a dynamic workshop on October 16, 2009 that will illustrate creative uses of data!
